**JUDGE ZAGEL
MAGISTRATE JUDGE SCHENKIER**

Jade:

I need some guidance. The past weeks performance based off of team track shows nothing accomplished.

I am getting concerned that he may not be a correct fit for the Careerbuilder model and may have to make a difficult decision soon.

Also, I believe that his with our own team is causing with the Helpdesk, and Server Infrastructure team specifically in Chicago. That observation is of relating to other people outside of his work cell and responsibilities with pay and responsibility. Also, from discussions with (and rumblings from his people), and :

Let me know what steps I need to take to make sure the business is not impacted by this potential decision, whether or not I execute it.
